5. The Contractor will be required to use every expedition in the delivery of the Supplies at the several District Towns; three months from date of Inspector's certificate to be the maximum period for their transmission.

6. In the event of Supplies not reaching their destination within the period of three months from date of certificate, the Government shall have the right to engage or employ some other person or persons to supply the Articles required, and to deduct or retain from out of the money which shall be due to the Contractor at the time of such neglect or default, or which may thereafter become due to him by the Colonial Government, all such sum or sums of money as the Government may have to pay over and above the Contract prices for the articles so obtained.

The Government does not bind itself to accept the lowest or any Tender, and reserves the option of accepting any portion of a Tender without the whole.

6. Ingeval eenige leverantien hare bestemming niet bereiken binnen drie maanden na dagteekening van het Certifikaat, zal de Regering het regt hebben om een of meer andere personen aan te nemen of te emploijeren voor het leveren der vereischte Artikelen, en van het geld aan den Aannemer verschuldigd tijdens dat verzuim of die hij later van de Koloniale Regering te vorderen mogt hebben, elke geldsom of alle geldsommen af te trekken of in te houden, als welke de Regering moge te betalen hebben boven den aanneemprijs voor de aldus bekomen Artikelen.

GOVERNMENT NOTICE.—No. 300, 1868.

Colonial Office, Cape of Good Hope,
26th September, 1868.

IN consequence of the insufficiency of the existing Regulations relative to the transmission by Post of Letters on the Public Service, His Excellency the Governor has directed that the Government Notice on that subject, No. 57 of the 17th February, 1868, shall be repealed, and that the following Regulations shall have effect from the 15th proximo:—

1. All letters on public business between Civil departments, Military and Naval departments, or between a Military or Naval and a Civil department, whether on departmental or regimental matters, will be transmitted through the Colonial Post free of *inland postage*, if marked "On Her Majesty's Service," and bearing the signature of the officer or person duly authorized to send the same.

2. The following shall be the officers authorized to frank such letters.

In Cape Town.—Any head of a department, the chief clerk of the department, or any clerk or other officer of the department who may be specially deputed to do so.

In the Country Divisions.—The several civil commissioners and resident magistrates and their clerks, officers at the head of departments independent of the civil commissioners and resident magistrates and their immediate subordinates, the head of any Naval or Military department, the officer in command of any of Her Majesty's ships, the officer in command of a regiment or in charge of a detachment of troops.

3. The officers entitled to frank such letters are required to file their autographs with the Postmaster at whose office such letters have to be posted.

4. Letters addressed to the heads of Civil, Military and Naval departments in their official capacity "On Her Majesty's Service" by private persons, will be transmitted by the Postmaster at whose office such letters are posted, and be delivered upon their arriving at their destination, under the restrictions contained in paragraph 8 of these regulations.

5. Should it appear that any letter from a private person, addressed as described in paragraph 4 of these regulations, is not upon the public business, but of a personal or private nature, the officer to whom such letter is addressed, will write upon it the word "*unstamped*," and forward it to the General Post Office, to be returned to the writer as an unstamped letter.

6. Letters from divisional councils entitled to pass free of postage are limited exclusively to those addressed to heads of Civil departments, and such letters must be franked by the civil commissioner.

7. By section 3 of the Postal Regulations Act of 1868, all petitions to Parliament, marked as such, and addressed to a Member of either House, and with or without a letter enclosed therein, shall pass free of postage. Every such petition shall be enclosed in a cover open at both ends, and every such letter shall refer exclusively to the subject of the said petition.

8. When the Postmaster-General may have sufficient reason to suspect, either from the appearance of any letter marked "On Her Majesty's Service," or from any other cause, that it is made the vehicle of private communications, he will acquaint immediately the head or chief clerk of the department to which such letter may be addressed, or from which it may have proceeded, and request the attendance at the Post Office of some person properly deputed for the purpose, when he will cause the letter to be opened and examined, and if it be found to contain a private communication, he will report the circumstance to the Government.

(This percentage is to be distinctly stated in every Tender).

4. Payment for Supplies will be made by the Civil Commissioner of the Division to which the supply relates in cash, or by draft on the Colonial Treasury, immediately on receipt by, and under the certificate of, the Resident Magistrate of each District; except as regards Supplies in the Cape Division, which will be paid by the Treasurer-General, in the manner pursued in respect of ordinary claims against the Government.

5. The Contractor will be required to use every expedition in the delivery of the Supplies at the several District Towns; three months from date of Inspector's certificate to be the maximum period for their transmission.

6. In the event of Supplies not reaching their destination within the period of three months from date of certificate, the Government shall have the right to engage or employ some other person or persons to supply the Articles required, and to deduct or retain from out of the money which shall be due to the Contractor at the time of such neglect or default, or which may thereafter become due to him by the Colonial Government, all such sum or sums of money as the Government may have to pay over and above the Contract prices for the articles so obtained.

R. S. SMITH,
for self and Co-Trustees.

In the Court of the Eastern Districts
of the Cape of Good Hope.

VICTORIA, by the Grace of God of the United Kingdom of Great Britain and Ireland Queen, Defender of the Faith.

To the Sheriff of the Colony of the Cape of Good Hope, or his lawful Deputy, Greeting:

WHEREAS upon the Petition to the Honourable JAMES COLEMAN FITZPATRICK, Esquire, Senior Judge, and to the Honourable ALFRED WHALEY COLE, Esquire, the Judges of our Court of the Eastern Districts of the Cape of Good Hope, and Judges of our Supreme Court of our said Colony, of GEORGE WOOD, the Younger, WILLIAM HAW, and ROBERT GODLONTON, in their capacity as the Trustees of the Eastern Province Bank, against CHARLES HENRY MATTHEWS, of Cradock, Trader, it appears to us that the said CHARLES HENRY MATTHEWS is justly and truly indebted unto and on behalf of the said GEORGE WOOD, the Younger, WILLIAM HAW, and ROBERT GODLONTON, in their said capacity, in the sum of Two Thousand and Ninety-three Pounds and Eight Shillings Sterling, upon and by virtue of a certain Draft, bearing date the 29th day of April, 1868, made and signed by the said CHARLES HENRY MATTHEWS upon one HENRY TUCKER, of Cradock, in favour of the Eastern Province Bank, Graham's Town, and by him accepted, payable on the 1st day of August then next, and which said Draft when due was duly presented for payment, but dishonoured, whereof the said CHARLES HENRY MATTHEWS then had due notice:

And whereas it further appears that the said CHARLES HENRY MATTHEWS hath departed from his dwelling-place at Cradock, and hath proceeded across the Orange River, with intent to defeat or delay his Creditors in obtaining payment of their debts, and thereby he, the said CHARLES HENRY MATTHEWS, did commit an act of Insolvency:

And whereas it further appears to us of record, that by order of the Honourable ALFRED WHALEY COLE, Esquire, it was ordered that the Estate of the said CHARLES HENRY MATTHEWS be placed under sequestration in the hands of the Master of the Supreme Court, unless cause be shown to the contrary, on the 16th day of November, 1868:

Now, therefore, we command you that you summon the said CHARLES HENRY MATTHEWS that he be and appear before our Judges of our said Court of the Eastern Districts, at Graham's Town, on the 16th day of November, 1868, at ten o'clock in the forenoon, to show cause, if any, why his Estate should not by sentence of the said Court be adjudged to be sequestrated for the benefit of his Creditors; and return you then there this Summons, with whatsoever you have done thereupon.

Witness the Honourable JAMES COLEMAN FITZPATRICK, Esq., Senior Judge of our said Court of the Eastern Districts, at Graham's Town, this 23rd day of September, 1868.

ARTHUR TWEED, Acting Registrar
of the Court of the Eastern Districts.

NAARDIEN het gebleken is, dat, vóór de instelling van de Municipaliteit van King William's Town, zekere erven binnen de limieten dier Municipaliteit door het voormalige Gouvernement van Britsch Kafferland aan zekere personen waren uitgegeven, op voorwaarde, onder andere dingen, dat de eigenaars daarvan een jaarlijksche erfpacht zouden betalen voor het in orde houden van de straten der gezegde stad en voor andere plaatselijke doeleinden: En naardien uit krachte der bepalingen van de Ordonnantie voor het zamenstellen van de Municipaliteit van King William's Town en bij Wet No. 3 van 1865, waarbij Britsch Kafferland aan deze Kolonie wordt gehecht, de eigenaars van de gezegde erven boven en behalve de schuldpligtigheid tot het betalen van erfpacht, ook nog verpligt zijn geworden de municipale belastingen voor bovengezegde oogmerken te betalen; en het dus billijk is, dat de gezegde eigenaren ontheven worden van de eerstgenoemde verpligting: Zoo wordt dienvolgens door den Gouverneur van de Kaap de Goede Hoop, met advies en toestemming van den Wetgevenden Raad en de Wetgevende Vergadering derzelve, vastgesteld als volgt:

I. Van af den 1sten dag van Julij in het tegenwoordige jaar, en vervolgens, zal de schuldpligtigheid van den eigenaar van eenigerlei perceel lands, gelegen binnen de limieten der municipaliteit van King William's Town, tot het betalen van erfpacht, ophouden en eindigen. Maar niets van hetgeen hierin is vervat zal de bedoeling hebben om een zoodanigen eigenaar vrij te stellen van de betaling van eenigerlei som, die hij ten opzigte van zoodanigen grond op den gezegden 1sten dag van Julij schuldig is of zijn zal.

Gegeven ten Gouvernementshuize, heden den 2den September, 1868.

No. 4.054

THE CAPE OF GOOD HOPE
Government Gazette.

Published by Authority.

FRIDAY, OCTOBER 2, 1868.

GOVERNMENT NOTICE.—No. 305, 1868.

Colonial Office, Cape of Good Hope,
1st October, 1868.

HIS Excellency the Governor directs the publication for general information of the following letters on the subject of the recent appointment of Members of the Board of Public Examiners in Literature and Science.

By command of His Excellency the Governor,
R. SOUTHEY,
Colonial Secretary.

South African College, 18th September, 1868.

To His Excellency Sir P. E. Wodehouse, K.C.B.

We, the undersigned, members of the Senate of the South African College, respectfully submit to your Excellency the following statement:—

That, as representing the oldest Collegiate Institution in the Colony, we feel a deep interest in the efficiency and success of the Board of Examiners, with which we have hitherto co-operated in perfect confidence and hearty sympathy; and that we are earnestly anxious to see it conducted on the same principles as heretofore, until in course of time it may be developed into a South African University.

That we are gratified to see your Excellency's message and accompanying Bill transmitted to Parliament, making arrangements by which the Board might assume as far as practicable, a perfectly independent position as Examiners of recognised capacity, and unconnected with any of the Institutions sending up Candidates for Examination.

That the appointments announced in the *Government Gazette* of the 15th instant are, in our judgment, seriously at variance with the principles set forth in the message and Bill referred to, inasmuch as—

(1.) The Rev. Canon Ogilvie is himself an instructor of Candidates for the Classical Examinations; and although it may be replied to this that the Rev. Mr. Childe, Mathematical Professor in the South African College, has been a Member of the Board for ten years, the appointment of another Member similarly situated only increases whatever disadvantage may have resulted from such an arrangement; and, could a fitting successor be found, we would prefer Mr. Childe's absence from the Board altogether, to the system of supposed counterpoise resorted to in the case of Mr. Ogilvie. And, moreover, it is well known that other competent Examiners are available, who would not be similarly interested in the results of the Examinations.

(2.) That, highly as we esteem the character and services of Mr. Elliott, we consider his appointment as an Examiner to be objectionable, because he is neither a Graduate of any University—a qualification which we believe to be desirable in every Member of a Board which has yet to establish its reputation, and which desires to have its certificates recognised and accepted by other Examining Bodies elsewhere,—nor has he had the experience or the status in connection with Education which, in our opinion, could justify his appointment to such a position.

That for these reasons we deeply regret that we cannot repose the same confidence in the Board of Examiners which we have hitherto felt, and now beg most respectfully to record these exceptions to the constitution of the Board as announced in the Proclamation already referred to.

We are, &c.,
S. P. HEYNS, D.D.,
Chairman of the Senate.
JAMES CAMERON,
Classical Professor and Secretary to Senate.
R. NOBLE,
Prof. English Literature and Physical Science.

Government House, Cape Town,
September 19, 1868.

The Rev. Dr. Heyns, the Rev. J. Cameron, and R. Noble, Esq.

Gentlemen,—I have the honour to acknowledge the receipt of your letter of yesterday's date, in which you record your exceptions to the Board of Examiners, whose appointment has lately been proclaimed; and object to Mr. Ogilvie as being engaged in Education, and to Mr. Elliott as not being a Graduate of any University, and not having had sufficient experience or status in connection with Education.

I have been induced by the receipt of this communication to look into the composition of the first Board, which was appointed soon after the passing of the Act, and by the Government with whom the scheme originated. I find that out of the seven first members, one had just ceased to be a Professor of the South African College, another still was one, a third was Principal of the Diocesan College, and two others were engaged in the instruction of Pupils; one of the two last was Secretary to, as well as member of, the Board.

I am not aware that any remonstrance was then made by the Authorities of the South African College, and I infer that they were not so sensitive in regard to the appointment of Teachers as your letter proves you to be.

As, however, you have correctly remarked that the present selection of members is not in harmony with the views expressed in my late message to Parliament on the subject, I desire to explain that my decided wish was to exclude from the Board all persons who were engaged in the actual business of instruction. The difficulty lay in the formation of the Mathematical and Scientific Section; but I was in hopes that, with the help of Mr. C. Smith, this might have been overcome. I therefore made different efforts, without success, to bring to his assistance others who, I thought, would have been able to carry out the Examinations.

After a time it appears that Mr. Childe could not be dispensed with, and for that reason, and because Dr. Dale, though no longer a Professor, was still one of the governing body of the South African College, I concluded that, as Teachers could not be wholly excluded, it would be better, as far as practicable, to place all interests on an equality. With this view, Mr. Porter, Dr. Dale, Mr. Judge, Mr. Smith, Mr. Ogilvie, and Mr. Braid were selected in the first instance. Subsequently I was informed that Mr. Braid could not take his place in the Mathematical Section, and I was compelled, with his ready assent, to substitute Mr. Elliott, who, in his capacity as Secretary, has been long conversant with the business of the Board, and who, I have reason to believe, will be found fully competent to take his proper share of its duties.

I have entered into this explanation for the purpose of satisfying you that all due pains were taken in the selection; and I have only, in conclusion, to add that I do not possess the power, even if I had the wish, to alter the arrangement.

I have, &c.,
P. E. WODEHOUSE.

6 Should it appear that any letter from a private person, addressed as described in paragraph 5 of these regulations, is not upon the public business, but of a personal or private nature, the officer to whom such letter is addressed, will write upon it the word "*unstamped*," and forward it to the General Post Office, to be returned to the writer as an unstamped letter.

Every such petition shall be enclosed in a cover open at both ends, and every such letter shall refer exclusively to the subject of the said petition.

9. When the Postmaster-General may have sufficient reason to suspect, either from the appearance of any letter marked "On Her Majesty's Service," or from any other cause, that it is made the vehicle of private communications, he will acquaint immediately the head or chief clerk of the department to which such letter may be addressed, or from which it may have proceeded, and request the attendance at the Post Office of some person properly deputed for the purpose, when he will cause the letter to be opened and examined, and if it be found to contain a private communication, he will report the circumstance to the Government.

VICTORIA, by the Grace of God of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith.

To the Sheriff of the Colony of the Cape of Good Hope, or his lawful Deputy, Greeting.

WHEREAS upon the Petition to the Honourable JAMES COLEMAN FITZPATRICK, Esquire, Senior Judge, and to the Honourable ALFRED WHALEY COLE, Esquire, the Judges of our Court of the Eastern Districts of the Cape of Good Hope, and Judges of our Supreme Court of our said Colony, of JAMES CAWOOD, WILLIAM CAWOOD, and SAMUEL CAWOOD, trading in Graham's Town under the firm and style of CAWOOD BROTHERS, against RICHARD WILLIAM MURRAY, of Graham's Town, Printer and Publisher, it appears to us that the said RICHARD WILLIAM MURRAY is justly and truly indebted to the said CAWOOD BROTHERS in the sum of Two Hundred and Six Pounds Sterling, upon and by virtue of a certain Promissory Note, bearing date the 6th day of January, 1868, made and signed by the said RICHARD WILLIAM MURRAY, and payable on the 6th day of April, 1868, to the said CAWOOD BROTHERS, or Order, for value received, and which said Promissory Note at maturity was duly presented for payment but dishonoured :

And upon the said petition it further appears that the said RICHARD WILLIAM MURRAY heretofore carried on business in Graham's Town, under the styles of R. W. MURRAY & SON and R. W. MURRAY & COMPANY, and further that the said RICHARD WILLIAM MURRAY hath departed from his dwelling-place in Graham's Town, and left this Colony, with intent to defeat or delay his Creditors in obtaining payment of their debts, and thus the said RICHARD WILLIAM MURRAY hath committed an act of insolvency:

And whereas it further appears to us of record that by order of the Honourable ALFRED WHALEY COLE, Esquire, it was ordered that the Estate of the said RICHARD WILLIAM MURRAY, heretofore trading under the styles or firms of R. W. MURRAY & SON and R. W. MURRAY & COMPANY, be placed under Sequestration in the hands of the Master of the Supreme Court, unless cause be shown to the contrary on the 16th day of November, 1868.

Now, therefore, we command you that you summon the said RICHARD WILLIAM MURRAY that he be and appear before our Judges of our said Court of the Eastern Districts at Graham's Town, on the 16th day of October, 1868, at 10 o'clock in the forenoon, to show cause, if he have any, why the Estate of him, the said RICHARD WILLIAM MURRAY, heretofore trading under the styles or firms of R. W. MURRAY AND SON and R. W. MURRAY & COMPANY, should not by sentence of the said Court be adjudged to be sequestrated for the benefit of his Creditors, and return you then there this Summons, with whatevsr you have done thereupon.

Witness: The Honourable JAMES COLEMAN FITZPATRICK, Esquire, Senior Judge of our said Court of the Eastern Districts at Graham's Town, this 1st day of October, 1868.

En wanneer de Gouverneur van meening zal zijn, dat alreede een voldoend aantal licentien is uitgereikt, of dat geene licentie behoort te worden uitgegeven voor eene of andere bijzondere lokaliteit, mag hij gelasten, dat geene verdere licentien of in het geheel geene licentien, naar het geval voorkomt, daarvoor zullen worden uitgereikt. In het vormen zijner meening omtrent de zaken in dit artikel vervat zal de Gouverneur raadplegen met den Afdeelingsraad der afdeeling, in welke de te beweiden landen gelegen zijn; maar de Gouverneur zal niet gehouden zijn, het advies van dien raad aan te nemen.

[Wet No. 25 van 1868.]

WET

Om de verspreiding van Besmettelijke Ziekten aan de Stations van de Land- en Zeemagt dezer Kolonie te voorkomen.

NAARDEMAAL het wenschelijk is, zoo veel mogelijk de verspreiding van zekere besmettelijke ziekten tegen te gaan in de lokaliteiten, alwaar de Land- en Zeemagt in deze Kolonie hoofdzakelijk gestationeerd is: Zoo wordt door den Gouverneur van de Kaap de Goede Hoop, met advies en toestemming van den Wetgevenden Raad en de Wetgevende Vergadering derzelve, vastgesteld als volgt:

I. Deze wet mag worden aangehaald als de "Wet tegen Besmettelijke Ziekten, 1868."

II. In de zamenstelling dezer Wet zal de term "besmettelijke ziekte" gehouden worden te meenen iedere venerische ziekte, daaronder begrepen uitvloeijing (Gonorrhaea). De benaming "hospitaal" zal gehouden worden te meenen elke afdeeling of elk gedeelte van een hospitaal of ander gebouw, door den Gouverneur aangewezen om te worden gebruikt als een hospitaal voor de oogmerken dezer Wet.

III, De distrikten, binnen welke deze Wet van kracht zal zijn, zullen zijn de distrikten, opgenoemd in Schedule No. 1, hieraan geannexeerd, en zulke andere distrikten, als welke door den Gouverneur, met advies van den Uitvoerenden Raad, bij tijd en wijle als zoodanig zullen worden gedeklareerd bij proklamatie, te verschijnen in de "Government Gazette;" en de limieten van die distrikten, hetzij opgenoemd in de schedule op deze, of gedeklareerd bij eene proklamatie als vorengezegd, zullen worden bepaald en mogen worden veranderd, met gelijk advies en bij eene dergelijke proklamatie, op dezelfde wijze bekend gemaakt; en iedere proklamatie als in dit artikel gemeld, zal van uitwerking zijn van af den dag, waarop dezelve is gepubliceerd, tenzij een of andere dag, waarop dezelve zal in werking treden, mogt zijn aangewezen in zoodanige proclamatie, in welk geval die proklamatie in werking zal treden op den daarin genoemden dag.

IV. De Gouverneur zal het regt hebben, een wettig bevoegd praktiserend geneesheer aan te stellen tot geneeskundig inspekteur van besmettelijke ziekten voor elk dier distrikten in het voorgaand artikel gemeld; en aanelk van die geneeskundige inspekteurs zal zoodanige belooning worden uitbetaald, als het Parlement bij tijd en wijle zal goedkeuren.

V. Binnen elk dier distrikten zal ieder vrouwspersoon, die bekend staat of den naam heeft eene openbare prostitute te zijn, behalve zoo als hierin later gemeld, verpligt zijn zich tweemaal per maand door den geneeskundigen inspekteur van het distrikt te laten inspekteren met tusschenpozen van niet minder dan veertien en niet meer dan zestien dagen, om te zien, of zoodanige vrouwspersoon al dan niet aangestoken is door eene besmettelijke ziekte, en elke zoodanige vrouwspersoon zal, in het eerste geval worden opgeroepen bij een order in geschrifte of in druk, of gedeeltelijk geschreven en gedeeltelijk gedrukt, en onderteekend door den geneeskundigen inspekteur of door een inspekteur of sub-inspekteur van politie te Kaapstad, of door den geneeskundigen superintendent of hoofdambtenaar van politie in ieder ander distrikt, in elk geval gecontrasigneerd door den resident magistraat van het distrikt, om op tijd en plaats in de order gemeld, zich voor inspectie aan te melden.

VI. Indien een zoodanige vrouwspersoon weigert of verzuimt ingevolge den inhoud van zulk een order op te komen, of opgekomen zijnde, zich niet aan de inspektie onderwerpt, mag zij worden gearresteerd op een bevelschrift van den resident magistraat, binnen wiens regtsbevoegdheid het distrikt, waarin zij woont of de prostitutie uitoefent, gelegen is, en deze zal zulk een bevelschrift om haar te arresteren uitvaardigen, wanneer hem onder eede gebleken zal zijn, dat zoodanige vrouwspersoon op goede gronden vermoed wordt een openbare prostitute te zijn, en behoorlijk beteekend was met een order als vorengezegd, en dat zij verzuimd of geweigerd heeft op die gezegde order te verschijnen of, verschenen zijnde, geweigerd heeft zich te laten inspekteren, en het arrest geschied zijnde, zal de magistraat, bij bewijs tot hetzelfde effekt, en dat die vrouwspersoon eene openbare prostitute is, en na gehoord te hebben, wat door die vrouw of hare getuigen ter kontrarie wordt ingebragt, mogen gelasten haar gevangen te zetten, met of zonder dwangarbeid of met of zonder schraal diëet voor niet langer dan eene maand.

VII. Indien zulk een vrouwspersoon, tijdens zij een vonnis van gevangenzetting volgens het voorgaande artikel ondergaat, zich bereidwillig verklaart om te worden geïnspekteerd, zal zij bij de eerste geschikte gelegenheid van gevangenhouding ontheven worden en ten behoorlijken tijde voor den geneeskundigen inspekteur worden gebragt voor inspektie.

VIII. Indien de geneeskundige inspekteur bij die inspektie een zoodanige vrouwspersoon vindt aangestoken met eene besmettelijke ziekte, zal die vrouw, zoo zij zich gewillig daaraan onderwerpt, naar een geschikt hospitaal gebragt en daarin opgenomen en gehouden worden voor geneeskundige behandeling, en zij zal daaruit niet worden ontslagen, dan na als hersteld te zijn gerapporteerd; en de order van een geneeskundig inspecteur zal voor de ambtenaren van het hospitaal een voldoende lastgeving zijn om zulk eene vrouwspersoon daarin op te nemen en te houden tot dat zij als hersteld zal zijn gerapporteerd.

IX. Indien een vrouwspersoon die, als in het voorgaand artikel gemeld, met eene besmettelijke ziekte is aangestoken, niet gewillig naar het hospitaal mogt gaan, zal zij worden gearresteerd en onder bewaring der politie worden gehouden en zoo spoedig mogelijk gebragt worden voor den resident magistraat, binnen wiens regtsbevoegdheid het distrikt waarin zij verblijf houdt of de prostitutie uitoefent, gelegen is, en die magistraat zal de zaak onderzoeken en de bezwaren van die vrouw aanhooren, en beëedigde getuigenis inwinnen van den geneeskundigen inspekteur en daarop de zaak beslissen, en hij zal mogen last geven zoodanige vrouwspersoon naar het hospitaal te brengen en daar te houden tot dat zij als hersteld wordt gerapporteerd, en die order zal voor de ambtenaren een voldoende lastgeving zijn om haar daarin op te nemen en te houden tot dat zij als hersteld gerapporteerd wordt.

X. De resident magistraat zal ten verzoeke van zoodanige vrouwspersoon, na het onderzoek der zaak in het laatst voorgaande artikel gemeld en vóór het geven van een order als daarin genoemd, in geval zoodanige vrouwspersoon de vereischte uitgaven daarvoor betaalt, twee andere praktiserende geneesheeren ontbieden, buiten den geneeskundigen inspekteur, een van welke twee door de gezegde vrouw mag worden gekozen, om haar te onderzoeken, en deze zullen nadat onderzoek, onder eede verklaren of de gezegde vrouwspersoon al of niet door eene besmettelijke ziekte is aangestaat, en de magistraat zal zich laten leiden door de geheele getuigenis in de zaak, wat betreft de order door hem te geven.

XI. Indien eene vrouwspersoon, die volgens de bepalingen in voorgaande sektien vervat in een hospitaal is opgenomen, daaruit wegloopt, alvorens als genezen te zijn gerapporteerd, of indien zulk een vrouwspersoon tijdens zij wettig in een hospitaal gehouden wordt, weigert of verzuimt zich naar deszelfs regulatien te gedragen, zal die vrouw, schuldig bevonden zijnde, blootstaan aan gevangenisstraf, met of zonder dwangarbeid of met of zonder schraal diëet, voor een tijdvak van niet langer dan eene maand; de uitvoering van welk vonnis naar het oordeel van den magistraat mag worden geschorst, tot dat die vrouw als hersteld uit het hospitaal zal zijn ontslagen.

XII. Iedere geneeskundige Inspekteur zal, in den vorm overeenkomstig schedule No 2, hieraan geannexeerd, aanteekening houden van het geval van iedere vrouw, die door hem moge geinspekteerd worden, en die aanteekening zal ten allen tijde ter inzage openliggen voor den resident magistraat of den hoofdambtenaar van politie in het distrikt, waarvoor dezelve zal worden gehouden, en voor ieder ander, die door den Gouverneur wordt gelastigd om dezelve na te zien.

XIII. De geneeskundige inspekteur zal verpligt zijn, aan ieder vrouwspersoon, die bij inspektie blijken zal, vrij te zijn van eenigerlei besmettelijke ziekte, of die, in een hospitaal opgenomen zijnde, als genezen is gerapporteerd, daarvan een certifikaat te geven volgens den vorm in schedule No. 3, hieraan geannexeerd, of een van hetzelfde effekt; en in zoodanig certifikaat zal worden opgegeven den termijn, gedurende welken hetzelve van kracht zal blijven en den tijd wanneer en de plaats waar zoodanige vrouwspersoon zich zal moeten aanmelden om weder te worden geinspekteerd.

XIV. Indien eene andere vrouwspersoon dan die, aan welke een certifikaat volgens deze Wet zal zijn uitgereikt, wordt bevonden hetzelve in bezit te hebben en te gebruiken, zal in elk zoodanig geval de vrouw, die deze overtreding begaat, schuldig bevonden zijnde, eene gevangenisstraf met of zonder dwangarbeid of met of zonder schraal diëet beloopen voor den tijd van niet langer dan eene maand; en iedere vrouwspersoon aan welke een certifikaat ingevolge deze Wet is uitgereikt en die willens en wetens aan eene andere vrouwspersoon toelaat hetzelve te nemen en te gebruiken, zal bij schuldbevinding, blootstaan aan gevangenisstraf, met of zonder dwangarbeid of met of zonder schraal diëet voor den tijd van niet langer dan eene maand.

XV. Wanneer een vrouwspersoon, tot dus verre bekend als een publieke prostitute en niet in een hospitaal zijnde, wenscht de prostitutie te laten varen en ontslagen te worden van de bovengenoemde geregelde inspektie, zal zij om zoodanige vrijstelling schriftelijk mogen aanzoek doen bij den resident magistraat binnen wiens regtsgebied zij woont of tot dus verre de prostitutie heeft uitgeoefend, en die magistraat zal een tijd en plaats aanwijzen voor het aanhooren van dat verzoek en aan de gezegde vrouwspersoon door een ambtenaar of konstabel van politie of door iemand anders, door dien magistraat daartoe te benoemen, eene kennisgeving van die aanwijzing laten beteekenen.

XVI. Indien bij het aanhooren van dat verzoek ten genoegen van den magistraat zal zijn aangetoond, dat de aanzoekster heeft opgehouden eene publieke prostitute te zijn, of wanneer zij eene verbindtenis zal aangaan met of zonder voldoende borgen, naar den magistraat dienstig zal voorkomen, voor zoodanige som als hij voldoende zal achten, voor goed gedrag gedurende zes kalender-maanden, daarop volgende, zal die magistraat mogen gelasten, haar vrij te stellen van de verpligting tot de inspektie op gezette tijden als vorengezegd, en zij zal, zoo lang als zij zich goed blijft gedragen, dien overeenkomstig daarvan vrijgesteld zijn.

XVII. Elke zoodanige geldelijke verbindtenis zal geacht worden verbeurd te zijn, indien te eeniger tijd gedurende den termijn voor welke dezelve is aangegaan, de vrouw, op wie dezelve betrekking heeft, binnen de limieten van een der distrikten, waarin deze Wet van kracht is, zich op een publieke straat, weg of plaats bevindt voor openbare prostitutie, of zich anderzins binnen die limieten als eene openbare prostitute gedraagt; en indien zoodanige vrouw, na afloop van den termijn, voor welken die verbindtenis is aangegaan, zich op eene publieke straat, weg of plaats bevindt voor publieke prostitutie, of anderzins zich als eene publieke prostitute gedraagt, zal zij bloot staan om behandeld te worden volgens de voorgaande bepalingen dezer Wet, alsof haar geene lastgeving tot vrijstelling ware verleend, en die lastgeving zal geacht worden te zijn vervallen.

XVIII. Indien iemand, de eigenaar of occupant zijnde van een huis, eene kamer of plaats binnen een der distrikten, waarin deze wet van kracht is, of een bestuurder of een adsistent in het bestuur daarvan zijnde, en wetende of goede reden hebbende om te gelooven, dat eenigerlei openbare prostitute eene besmettelijke ziekte heeft, zoodanige prostitute zal aansporen of vergunnen, in zoodanig huis of zoodanige kamer of plaats te komen of te zijn met het doel om te prostitueren, zal ieder zoodanig persoon, schuldig bevonden zijnde, strafbaar zijn met eene boete van niet boven de vijf-en-twintig ponden sterling, of met gevangenzetting, met of zonder dwangarbeid of met of zonder schraal diëet voor een tijd van niet langer dan drie maanden.

XIX. Ieder resident magistraat mag, in de behandeling van eene zaak of bij het instellen van een onderzoek volgens deze Wet, indien hij zulks dienstig acht, gelasten dat de regtszaal, of ander vertrek, waarin hij voor dat doel zitting houdt, ontruimd zal worden door ieder, die niet werkelijk in de zaak betrokken is; en niets hierin vervat zal beperking stellen aan eenigerlei andere magt, die de magistraat moge hebben om aan een of meer personen te gelasten het hof te verlaten.

XX. Deze Wet zal in werking treden in elk der distrikten, in de Schedule No. 1, hieraan geannexeerd, opgenoemd, op zoodanigen dag, als door den Gouverneur bij proklamatie, te verschijnen in de Government Gazette respektivelijk voor dezelve zal worden vastgesteld.

XXI. Niets van hetgene in deze Wet is vervat zal kunnen dienen om de prostitutie te wettigen, of om iemand, wie dan ook, die zich onledig houdt met de uitoefening daarvan, vrij te stellen van de boete- en straf bepalingen, welke bij de bestaande wetten der Kolonie daarop gesteld zijn.

GOVERNMENT NOTICE.—No. 314, 1868.

Colonial Office, Cape of Good Hope,
10th October, 1868.

THE Governor has directed the publication of the following paragraph, extracted from a late English newspaper, in the hope that all Importers of Vines from Europe will carefully examine them on arrival, and destroy all that may bear the slightest symptoms of infection.

EXTRACT.

A New Grape Blight.—An important communication has just been received by the Academy of Sciences, from MM. BAGILLE, PLANCHOU, and SAHUT, on a new disease of the Vine, which has quite recently made its appearance in some of the departments bordering on the Rhône, especially in those of Vaucluse and the Gard down to the Mediterranean. It is described as much more destructive than the *oïdium*, and the authors of the paper call it *phthisis*, because, like consumption among mankind, it causes excessive thinness in the Vine plant, which it ultimately destroys beyond recovery. In this way hundreds of vineyards have already been ravaged in the environs of Orange, St. Remy, Arles, and in the Carmague (district of the delta of the Rhône), Roquemaure, &c. As to the cause of the disease our authors state that its contagious nature led them to suspect its being the work of an insect, and this opinion has been borne out by observation. On the root of a diseased Vine certain yellowish grains are perceptible, which under the microscope prove to be insects of the *aphis* genus. The Agricultural Society of the Hérault has ordered the observations to be continued.

By command of His Excellency the Governor,

R. SOUTHEY,
Colonial Secretary.

VICTORIA, by the Grace of God of the United Kingdom of Great Britain and Ireland Queen, Defender of the Faith,

To the Sheriff of the Colony of the Cape of Good Hope, or his lawful Deputy, Greeting.

WHEREAS upon the Petition of JOHANNES NICOLAAS SWART, Senior, of Riversdale, to the Honourable the Chief Justice and other the Judges of the Supreme Court of our said Colony, it appears to us that JOHANNES MARTHINUS OOSTHUYSEN, lately residing on the Farm Grootefontein, in the Division of Riversdale aforesaid, is justly and truly indebted to the Petitioner in the sum of Three Hundred and Seventy-five Pounds Sterling, with interest from the 1st day of November, 1863, upon a certain Mortgage Bond passed before the Registrar of Deeds in Cape Town, on the 18th day of November, 1859:

That in or about the month of January, 1864, the said JOHANNES MARTHINUS OOSTHUYZEN departed from this Colony, and still does absent himself therefrom, with intent, as Petitioner believes, to defeat Petitioner and other his Creditors in obtaining payment of their just debts, and that the said JOHANNES MARTHINUS OOSTHUYSEN did thereby commit an act of Insolvency; wherefore the said JOHANNES NICOLAAS SWART prayed that the Estate of the said JOHANNES MARTHINUS OOSTHUYZEN might be sequestrated for the benefit of the Creditors of said Estate:

And whereas it further appears to us of record that the Honourable SYDNEY SMITH BELL, Esq., acting as our Chief Justice of our said Colony, did, by an order under his hand, bearing date the 25th day of September, 1868, place the Estate of the said JOHANNES MARTHINUS OOSTHUYZEN under Sequestration in the hands of the Master of the Supreme Court until the same should thereafter be adjudged to be sequestrated, or the said Petitioner should be discharged:

Now, therefore, we command you that you summon the said JOHANNES MARTHINUS OOSTHUYZEN that he appear before the Justices of the Supreme Court of our said Colony at Cape Town, on the 15th day of November, 1868, at 10 o'clock in the forenoon, then and there to show cause, if any, why his said Estate shall not, by judgment of this Honourable Court, be adjudged to be sequestrated for the benefit of the Creditors; and return you then there this Writ, with whatsoever you have done thereupon.

Witness: The Honourable SYDNEY SMITH BELL, acting as our Chief Justice of our said Colony at Cape Town, the 15th day of October, 1868, in the 32nd year of our Reign.

This Company having a Revenue from Premiums alone of One Hundred and Forty Thousand Pounds per Annum, is in a position to transact every description of LIFE ASSURANCE on as favourable terms as any *other Company* of equal standing.

Holders of Life Policies on the profit scale, who may hereafter fill confidential situations and require to be guaranteed, may secure considerable reductions in their life premiums, by making their life policies contingent on the continuance of fidelity.

Three fourths of the Profits are divisible amongst the Policy-holders on the "Profit Scale of Premiums," affording the advantages of Mutual Assurance, with the further security of a large subscribed capital, the prudent employment of which gives a greater ratio of increase to business and to profits than a purely Mutual Society can achieve.

Assurances are granted for £10,000 on a single life

Premiums may be paid in one sum, or yearly, or by half-yearly, or quarterly instalments.

Policies upon which five years' payments have been made, are purchased by the Society or the Policy-holders. if unable to continue paying, may receive fresh Policies in exchange (on which no further payment is required), equivalent to the then value of the Premiums already paid.

On Policies amounting to £200 and upwards for the whole of life, one-half of the Premium may remain unpaid at Interest for five years.

No extra Premium charged for voyage to and residence in any part of Europe, New Zealand, Australia (except at the "Diggings,") the Cape Colony, or British America.

This is the only Society transacting Life Assurance with Fidelity Guarantee, whose Policies of Guarantee are authorized (by Special Act of Parliament) to be accepted by Government.

GOUVERNEMENTS BERIGT, No. 314, 1868.

Koloniale Secretarie, Kaap de Goede Hoop,
10 October, 1868.

DE Gouverneur heeft de bekendmaking gelast van het volgende berigt, ontleend uit een der jongste Engelsche Nieuwsbladen, hopende dat alle Invoerders van Wijnstokken uit Europa, dezelve bij de aankomst naauwkeurig zullen onderzoeken en dezulken, die het geringste kentceken van bederf vertoonen vernietigen.

UITTREKSEL.

Eene Nieuwe Druivenziekte.—De Akademie van Wetenschappen heeft zoo even van MM. BAGILLE, PLANCHOU en SAHUT, eene belangrijke mededeeling ontvangen omtrent eene nieuwe ziekte in den Wijnstok, die onlangs hare verschijning heeft gemaakt in sommige departementen aan de oevers der Rhône, vooral in die van Vaucluse en de Gard tot aan de Middellandsche Zee. Zij wordt beschreven als veel vernielender dan het *oïdium*, en de schrijvers der communicatie noemen haar *phthisis*, omdat zij, gelijk de tering onder de menschen, de oorzaak is van buitengemeene schraalheid van den wijnstok, dien zij ten laatste onherstelbaar vernielt. Op deze wijze zijn reeds honderden hectares in de omstreken van Orange, St. Remy, Arles en in de Carmagne (distrikt van de delta der Rhône). Roquemaure, enz., verwoest. Wat de oorzaak dezer ongesteldheid aangaat verklaren de Schrijvers, dat hare aanstekende aard hun geleid heeft tot het vermoeden, dat zij het werk is van een insekt, en dat vermoeden is door waarnemingen bevestigd. Op den wortel van een aangetasten Wijnstok, zijn eenige geelachtige korreltjes merkbaar, die onder het mikroskoop blijken insekten te zijn van het *aphis* geslacht. De Landbouwvereeniging van de Herault heeft gelast de waarnemingen voort te zetten.

Ter Ordonnantie van Z. E. den Gouverneur,
R. SOUTHEY,
Koloniale Secretaris.

XII. In elk geval, waarin het afschrift der handelingen door een resident magistraat volgens het laatstvoorgaande artikel zal zijn opgezonden aan den griffier van het Hoog Geregtshof, zullen de bepalingen van artikelen acht-en-veertig en negen-en-veertig van Wet No. 20 van 1856, in alle opzigten van toepassing zijn, als of de handelingen oorspronkelijk waren geschied in het hof van den resident magistraat, die het afschrift daarvan heeft opgezonden en die handelingen zullen, in den zin van deze bepaling geacht en gehouden worden in het hof van dien magistraat.

XVI. De aanteekeningen van gezegd hof zullen worden bewaard op zoodanige plaats, als de Gouverneur bij tijd en wijle zal gelasten.

XVII. De voorschriften die van kracht zijn in de hoven van resident magistraten, zullen, uitgenomen als waarvoor hierin anders is voorzien, zoo na als doenlijk is, van toepassing zijn op het hof door den ambtenaar voornoemd te houden.

XVIII. Niets van hetgeen hierin is vervat zal gehouden worden, eenigerlei regtsmagt van een magistraat, als opgedragen bij eene of meer der in deze kolonie van kracht zijnde Wetten te beperken of te niet te doen.

[Wet No. 31 van 1868.]

WET

Om den Afdeelingsraad van Worcester te magtigen om, onder verband der Wegbelastingen in Tollen gelden te leenen voor het verbeteren en maken van den Weg door Hexrivierkloof.

NAARDEMAAL het dienstig is dat den Afdeelingsraad van Worcester gemagtigd wordt om onder verband van de Wegbelastingen en Tollen in die afdeeling gelden te leenen voor het verbeteren van den openbaren weg, loopende door wat gemeenlijk genoemd wordt "Hexrivierkloof," beginnende aan de Hexrivierbrug en eindigende op zekeren afstand aan de Karoozijde van den Hexrivierberg, waar de inwoners zouden gebaat worden: En naardemaal het jaarlijksche bedrag der Wegbelastingen, te worden geheven onder de bepalingen van Wet No. 9 van 1858, niet voldoende is om de eerste uitgave voor dat werk te bestrijden: Zoo wordt door den Gouverneur van de Kaap de Goede Hoop, met advies en toestemming van den Wetgevenden Raad en de Wetgevende Vergadering derzelve, vastgesteld als volgt:

I. Al wat in Wet No. 9 van 1858, getiteld "Wet om te voorzien in het Beheer over de Openbare Wegen der Kolonie," in strijd of onbestaanbaar is met een of meer der bepalingen van deze Wet, zal voor zooverre aangaat de bepalingen dezer Wet, zijn herroepen, gelijk het wordt herroepen bij deze.

II. De Afdeelingsraad zal het regt hebben om van tijd tot tijd, bij wijze van leening op het credit van alle tollen, te worden geheven, of belastingen, te worden omgeslagen krachtens Wet No. 9 van 1858, voornoemd, of krachtens Wet No. 10 van 1864, getiteld "Wet om te voorzien in het maken en onderhouden van de Hoofdwegen der Kolonie," elke som of sommen gelds, die de gezegde afdeelingsraad te eeniger tijd moge behoeven voor het ten uitvoer brengen van hierin voormelde doel en oogmerk: Met dien verstande, dat geen zoodanige leening zal mogen worden aangegaan dan naar en uit krachte eener resolutie door den gezegden afdeelingsraad genomen op eene vergadering, waar behalve den voorzitter, niet minder dan zes leden present waren; en met dien verstande, dat geene vergadering bevoegd zal zijn om eene zoodanige resolutie te nemen, tenzij elk der leden, minstens een-en-twintig dagen onmiddelijk vóór den voor die vergadering bepaalden dag, eene door den secretaris onderteekende kennisgeving zal hebben ontvangen, inhoudende dat de kwestie van zoodanige leening in die vergadering ter overweging zal voorkomen, en welke kennisgeving door den gezegden secretaris zal gedaan worden als een der leden van den gezegden raad zulks verlangt; en met dien verstande, dat geene leening of leeningen of schulden door den raad aangegaan krachtens deze Wet, te eeniger tijd de som van vijf duizend ponden zal of zullen te boven gaan; en met den verstande, dat geene zoodanige leening als vorengezegd zal mogen gesloten worden in een jaar, in hetwelk de wegbelastingen, te worden geheven en ingevorderd volgens de gezegde Wet No. 9 van 1858, minder zullen zijn dan een penny per pond op de waarde der aan belasting onderworpen eigendommen in de gezegde afdeeling Worcester; en met dien verstande, dat geene zoodanige leening zal worden aangewend tot afbetaling van eene vroegere leening die door den gezegden raad moge zijn gesloten.

III. In elk geval dat de gezegde raad besluiten zal, eenigerlei leeningen als vorengezegd op te nemen, zal die raad, bij kennisgeving in de "Government Gezette" en in een of ander nieuwsblad, verschijnende in of nabij de gezegde afdeeling Worcester, tenders aanvragen voor de benoodigde som of sommen, en in geval van aanneming van een of meer der ingezonden tenders, zal de raad die aannemen die den laagsten koers van interest specificeren, en het verband, de deklaratie of obligatie, waarbij de tollen, die volgens de overeenkomst zullen verbonden worden tot verzekering der terugbetaling van de door den Raad geleende som of sommen, en de interest daarop zijn verpand, zal onderteekend worden door drie leden, namens den gezegden raad, van welke drie de civiele commissaris der afdeeling er niet een zal zijn.

IV. En aangezien de gezegde raad alreede eene som van een duizend ponden sterling heeft geleend onder de persoonlijke sekuriteit van de onderscheidene leden des gezegden raads, ten einde het vorengezegde werk niet zou worden uitgesteld, en van welke som reeds is en nog wordt uitgegeven aan den gezegden weg; zoo wordt vastgesteld, dat de gezegde raad regt zal hebben, de vorengezegde som van een duizend ponden sterling terug te betalen uit de gezegde som van vijf duizend ponden sterling, de leening waarvan bij deze Wet wordt geautoriseerd.

V. Alle gelden, als vorengezegd krachtens deze Wet opgenomen, zullen bij ontvangst worden gedeponeerd in eene door den gezegden raad daartoe te verkiezen bank op het credit van eene afzonderlijke rekening, en alle benoodigde sommen zullen worden getrokken op bankorders geteekend door den secretaris en gecontrasigneerd, door dat lid, hetwelk, mits niet de civiele commissaris zijnde, door den raad daartoe zal worden aangesteld.

VI. De gezegde raad zal eene afzonderlijke en naauwkeurige rekening houden van alle uit krachte van deze Wet ontvangen en uitgegeven gelden, en van die rekening om het halfjaar aan den Kolonialen Secretaris een uittreksel te doen toekomen, aantoonende alle gelden ontvangen en uitgegeven tot den 30sten Junij en den 31sten December, dan voorafgaande, alsmede alle lasten op dezelfde dagen.

VII. De rekeningen in het laatstvoorgaand artikel gemeld, zullen worden geauditeerd en nagezien door de auditeurs bij tijd en wijle te worden aangesteld volgens de bepalingen van de "Wet op de Afdeelingsraden, 1865;" en de bepalingen van artikelen drie-en-tachtig en vijf-en-tachtig der gezegde Wet zullen van toepassing zijn op alle rekeningen, boeken en papieren, betrekking hebbende op den gezegden weg.

VIII. De raad zal verpligt zijn en wordt hierbij gelast om na de betaling van den interest op eenigerlei leening of leeningen als vorengezegd, en na te hebben voorzien in de noodige reparatien van den gezegden weg al hetgeen mogt overschieten van de tollen, geheven op den gezegden weg, mitsgaders eene som van twee honderd ponden jaarlijks uit deszelfs algemeene inkomsten af te zonderen, ten einde een fonds daar te stellen voor de terugbetaling van de hoofdsommen der als vorengezegd opgenomen gelden, zoolang tot dat die geheel zullen zijn afbetaald.

IX. Alle noodzakelijke kosten, lasten en uitgaven voor het verkrijgen van deze Wet en het ten uitvoer leggen van derzelver bepalingen zullen worden betaald uit het geld, te worden ontvangen volgens de bepalingen dezer Wet.

X. Deze Wet mag voor alle oogmerken worden aangehaald als de "Wet op de Leening van den Worcesterschen Afdeelingsraad, 1868."

COPY.—CIRCULAR, CAPE OF GOOD HOPE]

Downing-street, 29th August, 1868.

Governor Sir P. E. WODEHOUSE, K.C.B., &c. &c., &c.

SIR,—I transmit to you a copy of a letter from the Board of Trade, enclosing an extract of a Report from the Commissioners of Customs relative to the examination of Goods on transhipment as a means of more effectually preventing the forgery of Trade Marks, and I have to request that you will issue such instructions as may be necessary on this subject to the Customs Officers within your Government.

I have, &c.,

Mr. Herbert to the Under Secretary, Colonial Office.

Office of Committee of Privy Council for Trade,
7th August, 1868.

SIR,—I am directed by the Lords of the Committee of Privy Council for Trade to transmit to you, to be laid before the Secretary of State for the Colonies, the enclosed extract of a Report that has been received from the Commissioners of Customs relative to the examination of Goods on transhipment as a means of more effectually preventing the forgery of Trade Marks, and to submit, for the Duke of Buckingham's consideration, the advisability of issuing instructions to the Customs Officers in the British Colonies, as suggested by the Commissioners of Customs.

I have, &c.,

ROBERT G. W. HERBERT.

The Under Secretary of State,
Colonial Office.

Extract from Report of Commissioners of Customs dated 28th July, 1868.

"We would, however, submit, for your Lordships' consideration, whether the attention of the Customs Officers in the British Colonies might not be called to the provisions of the 161st Section of the Customs Consolidation Act, 1853, rendering liable to forfeiture any articles of foreign manufacture, and packages of such articles bearing any names, brands, or marks being, or purporting to be, the names, brands, or marks of manufacturers in the United Kingdom, and to the 10th Section of the Act of the last Session of Parliament, 30 and 31 Vic., cap. 82, which requires the person entering goods in transit through this country to furnish a duplicate Shipping Bill containing the particulars of such goods; and, as those duplicate Shipping Bills are sent with the papers of the ship in which the goods are imported into the British Possessions abroad, the Revenue Officers there are thereby afforded the means of knowing the origin of the goods, and of seizing any foreign goods bearing British marks which may be imported in the respective Colonies: and we would further submit whether your Lordships may not think fit to communicate with Her Majesty's Secretary of State for the Colonies, with a view to the necessary instructions being issued accordingly."

Security for the due fulfilment of Contracts will be required, and each Tender must contain a written engagement, signed by two Sureties, binding themselves to the Colonial Government as Sureties *in solidum* and co-principal obligants, under renunciation of the *beneficia ordinis seu excussionis et divisionis*, that the Person tendering will, in case his Tender be wholly or in part accepted, execute, whenever called upon, a Contract in the customary form, embodying such Tender, or so much of it as may be accepted; and that he will in all respects fulfil such Contract, and that they will themselves, as such Sureties, join in executing such Contract.

The articles to be supplied are to be of the best description, and are in all cases to be subject to the approval of the Chief Inspector of Public Works, or his representatives on Works in the Country Divisions.

Parties tendering are requested to make themselves acquainted with the conditions of the Contracts, forms of which lie open for inspection at this Office and at the Offices of the Civil Commissioners at Port Elizabeth, Graham's Town, King William's Town, and Queen's Town.

NOTICE TO MARINERS & OTHERS.

BEARINGS and particulars of a Beacon lately erected by the Kowie Harbour Improvement Company on the high land to the westward of Port Alfred (Kowie), for the purpose of assisting Masters of Vessels in making the Port from the westward:—

The form of the Beacon is a large Cask with a Pyramid on the top, and it stands on a Flagstaff 55 feet above the ground; the Cask is painted alternately Red and White horizontal bands, and the Pyramid is painted Black.

The height of the Beacon above the sea is 200 feet, and it can be seen in clear weather from a distance of 5 miles.

The Beacon is situated one mile to the westward from the entrance of the Harbour, and one-fifth of a mile N.E. ¼ N. (magnetic) from the Salt Vley Farm (Mr. OGILVIE'S House).

The best Anchorage off the Port is in 13 fathoms, with the Flagstaff at Mr. COCK'S House and the Signal Staff at the Port Office in a line and the Beacon bearing N.W. ¾ W. (magnetic).

Vessels obliged to slip from the anchorage should not go farther out to sea than 12 miles, to avoid damage by the heavy cross sea that runs in the offing.

COPY.—CIRCULAR.—CAPE OF GOOD HOPE.]

Downing-street, 15th August, 1868.

Governor Sir P. E. WODEHOUSE, K.C.B.

SIR,—I have the honour to transmit to you a copy of a Treaty of Navigation, which was signed at Vienna on the 30th April last, between Her Majesty and the Emperor of Austria, the Ratifications of which were exchanged on the 26th June last.

I have, &c.,

BUCKINGHAM & CHANDOS.

TREATY OF NAVIGATION BETWEEN HER MAJESTY AND HIS MAJESTY THE EMPEROR OF AUSTRIA, SIGNED AT VIENNA, APRIL 30, 1868.

[*Ratifications exchanged at Vienna, June 26, 1868.*]

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, on the one part, and His Imperial and Royal Apostolic Majesty, on the other part, being equally animated by the desire of extending and promoting the facilities of Navigation between their respective States and Dominions, have resolved to conclude a Treaty for that purpose, and have named for their Plenipotentiaries, that is to say:—

Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, the Right Honourable John Arthur Douglas Baron Bloomfield, of Oakhampton and Redwood, a Peer of Ireland, a Member of her Majesty's Most Honourable Privy Council, Knight Grand Cross of the Most Honourable Order of the Bath, Her Majesty's Ambassador Extraordinary and Plenipotentiary to His Imperial and Royal Apostolic Majesty; and Louis Mallet, Esquire, Companion of the Most Honourable Order of the Bath, Assistant-Secretary to the Committee of Her Majesty's Most Honourable Privy Council for Trade and Foreign Plantations;

And His Imperial and Royal Apostolic Majesty, Frederic Ferdinand Baron Beust, His Imperial Majesty's Privy Councillor, Chancellor of the Empire, and Minister of the Imperial House and of Foreign Affairs, Grand Cross of the Orders of St. Stephen and Leopold:

Who, after having communicated to each other their respective full powers, found to be in due and proper form, have agreed upon and concluded the following Articles:—

Article 1.

British ships and their cargoes in all the Dominions of His Imperial and Royal Apostolic Majesty, and ships belonging to the citizens of the Imperial and Royal States and their cargoes in all the dominions of Her Majesty the Queen of the United Kingdom of Great Britain and Ireland, from whatever place arriving and whatever may be their place of destination, and whatever may be the place of origin or destination of their cargoes, shall be treated in every respect as national ships and their cargoes.

Every favour or exemption in these respects, or any other privilege in matters of Navigation, which either of the Contracting Parties shall grant to a third Power, shall be extended immediately and unconditionally to the other Party.

It is, however, agreed that this stipulation shall not be applicable to the national fisheries of either of the two countries.

Article 2.

The stipulations contained in the preceding Article are also to be applied to the Colonies and Foreign Possessions of Her Britannic Majesty, as well as to the ships and cargoes of the same; but, as regards the coasting trade, only in those Colonies and Foreign Possessions the coasting trade of which shall have been, or shall be hereafter, opened to foreign ships in conformity with the Acts of Parliament which govern this matter.

The Foreign Possessions and Colonies of Her Britannic Majesty the coasting trade of which has been already so opened to foreign ships, and in which therefore ships belonging to the citizens of the Imperial and Royal States are placed on the national footing, are:

British India,
Ceylon,
Cape of Good Hope,
Victoria,
St. Lucia.

Article 3.

If any ship of war or merchant-vessel of one of the Contracting Parties should run aground or be wrecked, or meet with any casualty upon the coasts of the other, the same aid and assistance shall be rendered to it, and to the cargo, apparel, and furniture thereof, as to a national vessel; and in such case no other expenses shall be paid by the owners or their agents and representatives for the preservation of the property or of the lives of the persons on board the ship, than would be payable in the like case of a wreck of or casualty to a national vessel.

In case the master of a merchant-vessel should be under the necessity of disposing of a part of his merchandize in order to defray any salvage expenses, no impediment shall be opposed by the authorities, the master being bound, however, to conform to the existing regulations and Tariffs.

The goods and merchandize saved from the wreck shall be exempt from all duties of Customs, unless cleared for consumption.

The respective Consuls-General, Consuls, Vice-Consuls, and Consular Agents shall, if the owner or master, or other agent of the owner is not present, or is present and requires it, or is bound by the laws of his country to accept Consular assistance, be authorized to interpose in order to afford the necessary assistance to those concerned.

Article 4.

The Consuls-General, Consuls, Vice-Consuls, and Consular Agents of each of the Contracting Parties residing in the Dominions and Possessions of the other, shall receive from the local authorities such assistance as can by law be given to them for the recovery of deserters from the vessels of their respective countries.

Article 5.

All vessels which according to British law are to be deemed British vessels, and all vessels which, according to the laws prevailing in the States of His Imperial and Royal Apostolic Majesty, are to be deemed vessels belonging to the subjects of His Imperial and Royal Apostolic Majesty, shall, for the purposes of this Treaty, be respectively deemed British vessels, and vessels belonging to the citizens of the Imperial and Royal States.

Article 6.

The present Treaty shall remain in force from the exchange of the ratifications thereof until the 31st December, 1877; and in case neither of the High Contracting Powers shall have notified to the other, twelve months before the expiration of the said period, the intention to put an end to its operation, the Treaty shall continue in force for another year, and so on from year to year, until the expiration of a year counting from the day on which one or other of the High Contracting Parties shall have announced its intention to put an end to it.

Article 7.

The present Treaty shall be ratified, and the ratifications shall be exchanged at Vienna, within eight weeks, or sooner if possible

In witness whereof the respective Plenipotentiaries have signed the same, and have affixed thereto the seal of their arms.

Done at Vienna, this 30th day of April, in the year of our Lord one thousand eight hundred and sixty-eight.

To the Sheriff of the Colony of the Cape of Good Hope, or his lawful Deputy, Greeting.

WHEREAS upon the Petition to the Honourable JAMES COLEMAN FITZPATRICK, Esquire, Senior Judge, and to the Honourable ALFRED WHALEY COLE, Esquire, the Judges of our Court of the Eastern Districts of the Cape of Good Hope, and Judges of our Supreme Court of our said Colony, of JAMES CAWOOD, WILLIAM CAWOOD, and SAMUEL CAWOOD, trading in Graham's Town under the firm and style of CAWOOD BROTHERS, against RICHARD WILLIAM MURRAY, of Graham's Town, Printer and Publisher, it appears to us that the said RICHARD WILLIAM MURRAY is justly and truly indebted to the said CAWOOD BROTHERS in the sum of Two Hundred and Six Pounds Sterling, upon and by virtue of a certain Promissory Note, bearing date the 6th day of January, 1868, made and signed by the said RICHARD WILLIAM MURRAY, and payable on the 6th day of April, 1868, to the said CAWOOD BROTHERS, or Order, for value received, and which said Promissory Note at maturity was duly presented for payment, but dishonoured:

And upon the said petition it farther appears that the said RICHARD WILLIAM MURRAY heretofore carried on business in Graham's Town, under the styles of R. W. MURRAY & SON and R. W. MURRAY & COMPANY, and further that the said RICHARD WILLIAM MURRAY hath departed from his dwelling-place in Graham's Town, and left this Colony, with intent to defeat or delay his Creditors in obtaining payment of their debts, and thus the said RICHARD WILLIAM MURRAY hath committed an act of insolvency:

And whereas it further appears to us of record that by order of the Honourable ALFRED WHALEY COLE, Esquire, it was ordered that the Estate of the said RICHARD WILLIAM MURRAY, heretofore trading under the styles or firms of R. W. MURRAY & SON and R. W. MURRAY & COMPANY, be placed under Sequestration in the hands of the Master of the Supreme Court, unless cause be shown to the contrary on the 16th day of November, 1868.

Now, therefore, we command you that you summon the said RICHARD WIELIAM MURRAY that he be and appear before our Judges of our said Court of the Eastern Districts at Graham's Town, on the 16th day of November, 1868, at 10 o'clock in the forenoon, to show cause, if he have any, why the Estate of him, the said RICHARD WILLIAM MURRAY, heretofore trading under the styles or firms of R. W. MURRAY & SON and R. W. MURRAY & COMPANY, should not by sentence of the said Court be adjudged to be sequestrated for the benefit of his Creditors, and return you then there this Summons, with whatever you have done thereupon.

Witness: The Honourable JAMES COLEMAN FITZPATRICK, Esquire, Senior Judge of our said Court of the Eastern Districts at Graham's Town, this 1st day of October, 1868.

ARTHUR TWEED, Acting Registrar
of the Court of the Eastern Districts.

General Post Office, Cape Town,
16th October, 1868.

NOTICE is hereby given that Sealed Tenders, addressed to the Honourable the Auditor General, Cape Town, and marked "Tender for Inland Mails," will be received by that Officer until Monday, the 16th November, at 12 Noon, for the Conveyance of Mails, as follows, viz.:—

1. Between the Post Office, Wellington, and the Wellington Railway Station, by Cart or on Horseback, twice a day each way, to meet the Trains on their arrival and at their departure.

Conveyance time to be stated by Tenderer.

2. Between the Post Office, D'Urban, and the D'Urban Railway Station, by Cart or on Horseback, twice a day each way, to meet the Trains on their arrival and at their departure.

Conveyance time to be stated by Tenderer.

The Contracts to commence on the 1st January, 1869, and to terminate on the 31st December, 1869; but either of the contracting Parties to be at liberty to end the same upon giving one month's notice, in writing, to that effect.

GENERAL CONDITIONS.

No Tender will be attended to unless prepared in proper form, in conformity with this Notice, and of which copies may be obtained either at this Office or that of the respective Civil Commissioners and Postmasters.

The time for the departure of the Mails from Stations to be fixed by the Postmaster General, and changed from time to time, as may be deemed necessary. Payment will be made to the Contractor monthly, either at the Colonial Treasury in Cape Town, or by the Civil Commissioner of any Division he may select; *provided the Contract Bond shall previously have been transmitted to this Office* duly completed, which Bond the Contractor will be required to execute in the presence of two competent Witnesses, together with two good and approved Sureties, to be provided by him, for the due fulfilment of the Contract; and he must accompany his Tender with a written engagement from his Sureties to bind themselves as such; as also, with a Certificate from the Civil Commissioner or Resident Magistrate of the District in which he resides, as to the sufficiency of such Sureties. In the Tender, the names of the Contractor and his Sureties should be stated at full length, and their respective occupations should also be mentioned therein. The Security required will, in each case, be equal to the payment to be made by Government to the Contractor for one year of the Contract.

The Contractor is bound, at his own expense, to provide the means of protecting the Mail Packets from the weather, and will be held responsible for any damage which may occur to them whilst being transferred from his charge.

The Contractor will be at liberty to carry such number of Passengers *or Parcels* in the Mail Vehicle as he may think fit, and to make his own charge for the accommodation thus afforded; *provided that part of the Box or Well of the Cart specially to be appropriated for the Mail shall not be mixed up with any other Packets, &c., not appertaining to such Mail.* But the Contractor will not be allowed to carry in his Vehicles, by himself or any of his Servants, any Letters or Newspapers, excepting those delivered to him by the respective Postmasters, or for delivery at any Post Office; nor are they knowingly to permit any Passenger to carry any Letter or Newspaper.

The Post Rider shall be provided by the Contractor with a Bugle or Horn to be sounded when approaching any Post Office or Post Station.

For any detention of the Mail, or any part thereof, beyond the time specified for the distance allowed, the Contractor shall forfeit according to the following scale:—

	£	s.	d.
For every period not exceeding half an hour .	0	2	6
" half an hour, and not exceeding one hour .	0	7	6
" one hour, and not exceeding an hour and a half	0	15	0
" one hour and a half, and not exceeding two hours	1	5	
" two hours, and not exceeding two hours and a half	2	0	0

and for every additional half-hour beyond two hours and a half, the additional sum of Ten Shillings.

In the event of the Contractor failing or neglecting for three Posts in succession to convey the Mails within the time herein stipulated, the Postmaster-General for the time being, in that case to have it in his power, should he so think fit, to advertise for Tenders for a new Contract (without any reference to the clause for giving four months' notice for an earlier termination thereof, which clause is to be null and void); and any loss that may accrue by reason that the terms of the new Contract are higher than the terms of the old is to be borne by the Contractor.

And inasmuch as serious irregularities have arisen from changing Vehicles and shifting the Mails, the Contractor will have to bind himself that as often as any Post Boy of his shall receive any Mail Bags or Post Office Packets into any Vehicle at any Post Office, such Bags and Packets shall be carried to their destination in that same Vehicle, and that none of the said Bags or Parcels shall, between the Post Office where the same were received and the Post Office where the same should be delivered, be shifted or removed from that Vehicle to any other Vehicle or mode of conveyance, unless with the permission and in the presence of some Postmaster, or unless the Vehicle carrying the same shall, by accident or other cause arising after the same shall have been received, be rendered incapable of carrying on the Mail to its destination. And for any and every breach of this stipulation the Contractor will have to pay to the Postmaster-General for the time being whatever penalty he shall see fit to demand, not exceeding Twenty-five Pounds sterling.

In case any Bag, Packet, or other part of any Mail shall not be regularly delivered at the same time as the rest thereof, the Contractor shall be bound to pay to the Postmaster-General, for or in respect of every such lost or missing Bag, Packet, or other part of any Mail, such sum as the said Postmaster shall see fit, on demand, not exceeding Twenty-five Pounds Sterling, unless the Contractor shall prove that such Bag, Packet, or other part of any such Mail was lost or delayed by inevitable accident against which it was impossible to guard. And the Contractor shall likewise be liable to the Postmaster-General, claiming on behalf of whom it may concern, to make good all loss or damage sustained by any person whomsoever, by reason that any Mail or Bag, Parcel, or other part of any Mail, shall have been lost or delayed for want of due and proper care and diligence of the Contractor, or any person in his service.

Should the said Contractor fail in the performance of this agreement at any period during the existence of the same, then, and in that case, it shall be lawful for the Postmaster-General for the time being, and for all persons thereto authorized by him, to hire, or cause to be hired such Person or Persons, Horse or Horses, as shall be required for the due performance thereof, and all and every expense attendant upon the same shall be borne and sustained by the said Contractor.

And it is lastly agreed that in case of any act of omission, constituting a breach by the Contractor of any of the provisions or stipulations of this Contract, not being an act or omission for which any other particular penalty is hereinbefore provided, the Postmaster-General shall have the option of claiming from the Contractor, for and on account of every such act or omission respectively, the payment of Ten Pounds Sterling, by way of assessed and liquidated damages, and not as a penalty; or otherwise, of claiming and recovering such further or other sum as the said Postmaster shall prove to be the amount of loss or damages actually sustained from or by reason of such act or omission.

Further information may be obtained on application at the Office of the Postmaster-General, and the Postmasters at the Stations herein mentioned.

G. W. AITCHISON, Officer in Charge.

Tenderers are at the same time requested to state at what rate they would be prepared to perform the above services *once a week*, instead of *fortnightly*. The Contract to commence on the 1st January, and end 31st December, 1869.

No. 4,062

THE CAPE OF GOOD HOPE
Government Gazette.

Published by Authority.

FRIDAY, OCTOBER 30, 1868.

PROCLAMATION

BY HIS EXCELLENCY SIR PHILIP EDMOND WODEHOUSE,

Knight Commander of the Most Honourable Order of the Bath, Governor and Commander-in-Chief of Her Majesty's Colony of the Cape of Good Hope, in South Africa, and of the Territories and Dependencies thereof, and Vice-Admiral of the same, and Her Majesty's High Commissioner, &c., &c., &c.

WHEREAS by the 5th Section of the Act No. 7 of 1868, entitled "An Act to amend and alter in certain respects the Regulations of the Post Office," it is enacted that Patterns or Samples of Merchandize or Trade Patterns may be transmitted by Inland Post from one place in the Colony to another, at the rates of postage which shall by law be fixed for the same, and subject to such Regulations and Conditions as may from time to time be established by the Governor, with the advice of the Executive Council, and published by Proclamation in the *Government Gazette:* And whereas the rates of postage on such Patterns or Samples of Merchandize have been fixed by the 5th Section of the Act No. 6 of 1868, entitled "An Act for altering and regulating certain Rates of Postage:"

Now, therefore, I do hereby proclaim and make known, with the advice of the Executive Council, that from and after the date hereof, the Regulations and Conditions hereunder following are the Regulations and Conditions under which Patterns or Samples of Merchandize or Trade Patterns will be transmitted by Inland Post within the limits of the Colony; and that the Rates of Postage appended to the said Regulations hereunder following, being the Rates fixed by the 5th Section of the Act No. 6 of 1868 aforesaid, will, from the date hereof, be charged upon all such Samples and Patterns of Merchandize so transmitted by Inland Post.

GOD SAVE THE QUEEN!

Given under the Public Seal of the Settlement of the Cape of Good Hope, this 27th day of October, 1868.

P. E. WODEHOUSE, Governor.

By command of His Excellency the Governor,
R. SOUTHEY,
Colonial Secretary.

No. 71, 1868.

1. *Regulations and Conditions for the Transmission by Post of Samples and Patterns of Merchandize.*

1st. The Patterns or Samples must not be of intrinsic value. This rule excludes all articles of a saleable nature, and, indeed, whatever may have a value of its own, apart from its mere use as a Pattern or Sample; and the quantity of any material sent ostensibly as a Pattern or Sample must not be so great that it can fairly be considered as having, on that ground, an intrinsic value.

2nd. There must be no writing or printing in addition to the address of the person for whom the packet is intended, and the address of the sender, other than a trade mark and numbers, and the prices of the articles; and these particulars must in all cases be given, not on loose pieces of paper, but on small labels attached to the Samples or the bags or boxes containing them.

3rd. The Patterns or Samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, drugs, and so forth, which cannot be sent in open covers, may be enclosed in bags of linen, paper, or other material, tied at the neck; or the bags may be entirely closed, provided they be transparent, so that the Officers of the Post Office may be able to satisfy themselves as to the nature of the contents. The rule which forbids the transmission through the Post of any article which might injure the contents of the Mail Bags or the Officers of the Post Office is so far relaxed in this case as to permit patterns of scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like articles, to be forwarded, provided that they be packed and guarded in so secure a manner as to afford complete protection to the contents of the Mail Bags and the persons of the Officers of the Post Office, whilst at the same time the Samples may be easily examined.

4th. No Packet of Patterns or Samples must exceed two feet in length, one foot in breadth or depth, or five pounds in weight.

5th.
